UNPUBLISHED DECISION¹

On July 29, 2019, the parties filed a joint stipulation concerning the petition for compensation filed by Damaris Shaffer Miltenberger (“Petitioner”) on October 10, 2017. Petitioner alleged that the influenza (“flu”) and Tetanus-diphtheria-acellular pertussis (“Tdap”) vaccines she received on November 7, 2014, which are contained in the Vaccine Injury Table, 42 C.F.R. §100.3(a), caused her to suffer Guillain-Barré syndrome (“GBS”) and chronic inflammatory demyelinating polyneuropathy (“CIDP”). Petitioner further alleges that she suffered the residual effects of these injuries for more than six months. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

¹ The E-Government Act, 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services), requires that the Court post this decision on its website. Pursuant to Vaccine Rule 18(b), the parties have 14 days to file a motion proposing redaction of medical information or other information described in 42 U.S.C. § 300aa-12(d)(4). Any redactions ordered by the special master will appear in the document posted on the website.

Respondent denies that the flu and Tdap vaccines caused petitioner to suffer GBS, CIDP, or any other injury or that petitioner's current disabilities are sequelae of a vaccine-related injury.

Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

A lump sum of \$300,276.69, which amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a), in the form of a check payable to petitioner.

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the Clerk of Court is directed to enter judgment in case 17-1491V according to this decision and the attached stipulation.²

IT IS SO ORDERED.

² Pursuant to Vaccine Rule 11(a), the parties can expedite entry of judgment by each party filing a notice renouncing the right to seek review by a United States Court of Federal Claims judge.
